

At Veson Nautical, client value is the star that guides all that we do. That's why we develop and release more than 500 new features each year to meet the evolving needs of our vast, global client community. Once released, many of these capabilities are automatically added to our dynamic, cloud-native platform where they can benefit clients.

## Multi Currency Time Charter Contracts

Capture Time Charter contracts that track multiple currencies for hire rates, voyage expenses, and commissions!

### Enhanced Modules

 FINANCIALS

 CHARTERING

### Do these enhancements apply to you?

Ask yourself these questions to determine how your organization will benefit from these additions to the Veson IMOS Platform:

- ✓ Do you have components of Time Charter contracts that are tracked in different currencies?

### The Challenges

Capturing TC contracts with components that are invoiced in multiple currencies.

Invoice on each currency.

### The Features & Benefits

1

VIP Chartering has been enhanced to support multiple, overlapping hire in different currencies. Additionally, specific Common Voyage Expenses and Commissions can be set as a specific currency.

2

VIP TC Payments & Billing has been enhanced with a currency selection option to invoice on a specific currency.

Take advantage of the latest platform features.
